Week ending Friday 8th May 2020

Welcome to our new look newsletter. We wanted to find a way to celebrate the actions of our wonderful children during this time. We thought our 'Rainbow of Recognition' would enable us to do this in a way that captures the many different ways that the children are achieving. Please do keep in touch and let us know what your children are doing in any of these areas. We know that every single one of our families are doing fantastic things in many different ways. Keep watching each week as we celebrate.

At this difficult time, we want to make sure that we are communicating with you in as many ways as possible but we also want to try and ensure we are not bombarding you with lots of different messages. As a result, we will include key information in this newsletter each week. We will continue to email and text and update the website regularly. Please know that if we can help in any way at all, you can contact us through the key stage emails (on the front of the website) or through help@pennoweth.cornwall.sch.uk Take care, stay safe and know that we are very, very much looking forward to seeing you all when it is safe to do so.

Safeguarding

Please remember to get in touch with us once a week so that we know you are all ok. The easiest way to do this is by emailing in. You can email the key stage addresses (these are given on the front of the website or use the help@pennoweth.cornwall.sch.uk address—this is monitored every day).

Have a look at this video clip giving technology safety tips for parents: <https://www.youtube.com/watch?v=cTxEiNMCKBU>

Pennoweth Childcare Hub

You will have hopefully seen the letter that was shared yesterday regarding the fact that Pennoweth is partially opening on Monday 18th May as the Redruth Childcare Hub for the Crofty Trust. Initially the school will only be open for those Pennoweth children who currently have childcare spaces at Treloweth. However, as soon as we have further information from the government regarding plans around the lockdown, we are hoping that we can offer some more spaces out. We will keep you updated with how this will work as we learn more.

Re-opening Parent Survey

As the Government prepares to announce the plan to move the country out of the current lockdown restrictions, Crofty Trust are really keen to gather the views of parents in all our 9 schools as to your feelings on a possible return to school. There is a letter on the website (under parents > recent letters home) that gives more information and a link to an online survey. Please do take the time to complete the survey. The more views we have from parents, the more informed we will be as a school and a whole trust as to what you feel would be best for your children.

Free School Meals

Families that are entitled to free school meals will hopefully have already received the information that we are moving from food parcels to online vouchers from the week commencing Monday 18th May. If you have not already done so, please do email us to confirm the email address you would like us to use. Your e-voucher will be delivered to the given address. Please do contact us via help@pennoweth.cornwall.sch.uk if you have not already done so. Thank you.

Online stories

If you have not had chance to watch some of the staff bringing picture books to life, please do check out the videos on the blogs! We will keep them coming so if you have any suggestions, please do let us know! A huge thanks to Miss Bray for production of the final videos and to all our wonderful staff who have certainly given enthusiasm to their story telling!!

We would like to wish the following children a very, very happy birthday as they celebrate over the next week!

Ethan U (Y3), Emilis U (YR), Layla P (Y6), Troy A (Y1), Gabriele Z (YR), Dakota C (Y4), Brandon R (Y6), Lucas B (Y4), Kyden C (Y5), Rebecca L (Y4)
