Pennoweth News

A huge thank you to everyone who was able to join us for our Christmas song events. It was wonderful to see you and the children were amazing! We are so sorry that we weren't able to go ahead with the year 5/6 event due to the number of Covid cases in the phase.

We would like to take this opportunity to say thank you for all your support and patience since September; the new build is coming along well but we know what implications this has had on parking and access.

As you may be aware, Mrs Scammell, our learning mentor, is leaving Pennoweth this Christmas. We know that you will join with us in thanking her for her amazing contributions to the school and wish her the very best in the future.

Messages

We will be sending out a letter regarding proposed after school activity clubs to run after Christmas. Due to the current Covid situation we are limited to offering outdoor clubs or, if indoor, they can only be for one class due to mixing. Sign up for the clubs will be on a first come, first served basis and be via Parent Pay. Sign up will open when we return after the Christmas break. Please see the letter for further details.

We would like to wish all of our families a wonderful Christmas holiday period and a very happy new year. We look forward to seeing you all in the new year. Take care and stay safe.

The Surviving Winter Fund

The Fund aims to raise money to offer financial support to people most at risk in Cornwall and the Isles of Scilly, helping them to stay warm, active, and healthy this winter. These funds can be accessed through a wide range of referral agencies throughout the county and are to help households with children and other households genuinely in need of support.

Character Qualities

We have 4 key characteristics that we are always on the lookout for! Each of these is represented by a character.

Considerate children are thoughtful, caring, sympathetic, helpful, polite, attentive, mindful and patient.

Inquisitive children are curious, inquiring, questioning, intrigued and eager to know.

Courageous children are bold, brave, valiant adventurous and determined.

Children who are being fun will be enthusiastic, excited, energetic, cheerful, light-hearted and will laugh!

We also have our Stars of the Week, who have been classroom superstars and DNA Champions for each phase.
