Pennoweth News

This week in school

A huge well done to Porthleven Class who took part in a morning workshop on Friday last week with the Troubadour Stageworks company. They did some fantastic work!

We have lots of classes out and about this week and next week as Geography fieldwork gets up and running! Lots of walks through Redruth are taking place with children thinking about mapping and geographical features. A bit further afield, Year 5 and 6 have a trip to Charlestown coming up; look out for the letter coming soon.

As you may have noticed, our new build has moved on a lot this week and the blue perimeter fencing by the UKS2 classrooms have been removed. Secure fencing is in place much closer to the classrooms and children are being incredibly sensible about using the narrow walkway; well done superstars.

Messages

Christmas dinner will be held over 2 days this year so that all Year groups have the opportunity to eat in the hall (with time for sanitising the tables in between the sittings). Early Years and KS1 will have their Christmas dinner on Wednesday 15th December and KS2 on Thursday 16th December. The menu will be shared on Marvellous Me. As the kitchen are preparing a Christmas dinner on 2 days running, please be aware that on the day your child's year group isn't having Christmas dinner, meals ordered from the kitchen will be cold packed lunches eg if your child is in year 1 and has Christmas dinner on Wednesday 15th December, their meal from the kitchen the following day (Thursday 16th) will be a cold packed lunch).

Our PTA Christmas Fair is coming up next Friday (3rd December)! Thank you very much for contributions for the fair and to those who have returned raffle tickets. We are really grateful for all contributions

Character Qualities

We have 4 key characteristics that we are always on the lookout for! Each of these is represented by a character.

Considerate children are thoughtful, caring, sympathetic, helpful, polite, attentive, mindful and patient.

Inquisitive children are curious, inquiring, questioning, intrigued and eager to know.

Courageous children are bold, brave, valiant, adventurous and determined.

Children who are being fun will be enthusiastic, excited, energetic, cheerful, light-hearted and will laugh!

We also have our Stars of the Week, who have been classroom superstars and DNA Champions for each phase.

Wellbeing update

Focused mind. Healthy body. Calm Spirit.

The children have continued to look at our focus of 'belonging' this week, helping one another to feel included and talking about how they can support and encourage one another. Whilst working with a group of year 2 children this week, one child said, "I know I can talk to any of the adults in my class if something is bothering me and they always help me to feel more positive." If children feel safe and supported then they are happy to share and ask for help.

It is so important for our mental wellbeing that we feel we can talk to someone and ask for support. No matter what is bothering us, just talking to a supportive person can help release some tension and together you can look at a way forward. If you feel that you need support with your child or family situation our pastoral team are here to support you or they will know the right people for you to contact.

Enjoy spending time talking and listening fully to your children, they really love you listening and spending time with them.

Have a restful weekend and keep warm!

Mrs Gaskin

Congratulations to Lizard Class who are helping to protect our polar bears :)

THANK YOU

Lizard Class

You're helping WWF to protect the future of polar bears and to tackle some of the biggest environmental challenges facing our natural world today.

Thank you.
