Pennoweth News

This week in school

This week it is our wonderful year 2 children that we are saying a special well done to! The children have sat their KS1 SATs tests this week and have been truly fantastic throughout. A big thank you to the year 1 children who have had to move around to different spaces and have a bit of a different timetable to fit around the tests. Well done superstars; we are incredibly proud of all of you.

Year 3/4 had a brilliant time visiting the Minack Theatre this week where they enjoyed watching the performance, Calvino Nights. We are so proud of the children's resilient and positive attitude (considering the weather!) and for embracing the day! We'd also like to give a special thanks to our parent helpers for their support on the day.

Year 3/4 are out and about again next week as they head off on their camp to Plymouth Aquarium to sleep with the sharks and Year 5/6 are heading for a day at Flambards!

We have had a few concerns raised by parents that some children are playing in the jungle / on the gym equipment before and after school and may not be safe and also that some dogs are being left unattended (tied up) by the gate/ pathway. Please could we ask that you work with us to keep everyone safe before and after school. Thank you.

We have received quite a lot of term time holiday requests. Please could we draw your attention to the information on unauthorised leave of absences during term time on our website. We have also included this information on the back page of the newsletter this week. Please do get in touch if you have any questions.

Character Qualities

We have 4 key characteristics that we are always on the lookout for! Each of these is represented by a character.

Considerate children are thoughtful, caring, sympathetic, helpful, polite, attentive, mindful and patient.

Inquisitive children are curious, inquiring, questioning, intrigued and eager to know.

Courageous children are bold, brave, valiant adventurous and determined.

Children who are being fun will be enthusiastic, excited, energetic, cheerful, light-hearted and will laugh!

We also have our Stars of the Week, who have been classroom superstars and DNA Champions for each phase.

Wellbeing

The children have been enjoying discussing 'what motivates them' and encouraging each other to become more motivated. It's lovely to see how much they enjoy taking part in activities, especially sport.

I had a lovely opportunity with Mrs Morris's Class this week (Reception). We started with one child coming out and asking the children to say one thing they found amazing about her. We had 'she is so funny', "she is kind and caring". At the end one child said, 'We all just love you!' It was very special!

It has also been good to hear the children have been open to trying new activities and making new games on the playground. We are looking forward to sharing our ideas in next week's wellbeing assembly.

We hope you have a lovely weekend and please do get in touch if you need our help.

Unauthorised Exceptional Leave of Absence Information

The law requires parents to ensure their children receive an efficient full time education and every minute of every day is important. Please help them not to miss any of this valuable time.

We hope that when you have read the information outline our website, you will consider that your child's education is too important to take holidays during term time.

If an unauthorised leave of absence is taken, this may incur a penalty notice being issued under Section 444A and 444B of the Education Act 1996. This carries a fine of £60 if paid within 21 days or £120 if paid after this but within 28 days. Failure to pay the penalty notice will result in court action.

Unauthorised Late Marks Information

If your child is arriving late—after the register has closed at 9am, it will be coded as U which is an unauthorised late mark. If your child accrues 10 unauthorised late marks within 100 sessions (10 weeks) you will be committing an offence under the Education Act 1996.

The school may refer the matter to Cornwall Council who may decide to take legal action against you issuing a penalty notice under Section 444A or 444B of the Education Act 1996. This carries a fine of £60 per child, per parent if paid within 21 days or £120 if paid after this but within 28 days. Failure to pay the penalty notice will result in Court action.

Persistent absences / unauthorised lates not authorised by the school may result in a prosecution in the Magistrates court, leading to fines of up to £2,500 and / or custodial sentences.
