# Pennoweth News

## This week in school

It has been a busy last week in school as children in years 1-6 finish off their projects. There has been some amazing scientific investigations happening around the school including some dissection up in years 5 and 6! New projects begin after half term. Information about these will be coming to you via Marvellous Me and the parent leaflets will also be uploaded to the school website (in the Curriculum section).

Thank you so much for all your support this half term. It has certainly been a busy time since September. The children have settled very well and have been working incredibly hard. We hope that you have a restful and safe half term break; fingers crossed the weather will be kind so it is possible to get outdoors. Please note that the first day after half term (Monday 1st November) is an inset day and the school is closed to children. The first day back for children in Tuesday 2nd November.

## Messages

- Crofty Trust are currently looking for School Secretaries / Administrators to join our team. Please visit the Crofty website for more details: <https://croftymat.org/careers-crofty/>
- You should have received information regarding our online parent meetings that are taking place in the week after half term. Thank you if you have already signed up. Please do let us know if you have any difficulties with signing up (you can contact us via [help@pennoweth.cornwall.sch.uk](mailto:help@pennoweth.cornwall.sch.uk))
- Thank you so much for your patience while access to the site is so restricted. We are really aware of how tight the walkway is and are really grateful to everyone taking time and waiting at each end to let others pass. The extended drop off and pick up times are still in place so please do utilise these. We will have increased access again after the end of the first week back after half term. **Please can we ask that all adults wear face coverings whilst on the school site (unless you are not able to do so).** We have had concerns raised by some parents that not everybody is wearing a mask and that this heightens risk for parents, children and staff.
- As you may know, it is Miss Bray's final day with us today at Pennoweth as she is leaving for a new role. We know you will join with us in thanking her for all her time, dedication and commitment to Pennoweth and wish her all the very best. RedYOUTH continues to have its base in Pennoweth so we will still see Miss Bray with us in school on a regular basis :)

# Character Qualities

We have 4 key characteristics that we are always on the lookout for! Each of these is represented by a character.

**Considerate** children are thoughtful, caring, sympathetic, helpful, polite, attentive, mindful and patient.

**Inquisitive** children are curious, inquiring, questioning, intrigued and eager to know.

**Courageous** children are bold, brave, valiant adventurous and determined.

Children who are being fun will be enthusiastic, excited, energetic, cheerful, light-hearted and will laugh!

We also have our Stars of the Week, who have been classroom superstars and DNA Champions for each phase.

# Wellbeing update

Focused mind. Healthy body. Calm Spirit.

We hope you have found the last few weeks on wellbeing ideas useful. It is so important that we all look after our wellbeing and ensure we are physically, mentally and emotionally well. There are moments where we all feel overwhelmed but if you can listen to your body and take time to rest and pause just for a few minutes throughout the day it will really help. The breathing exercises, breathing in and out slowly and deeply will help us all to calm down.

Try as much as possible to get out in nature this half term, just being at a park, in a forest and by the sea can help the whole family to feel more alive, positive and have fun together. Maybe make a packed lunch and take it with you. It's also a lovely time of year to sit together and play a few board games or snuggle up to a family film. We hope you have a lovely holiday and thank you for your support with all the changes around school.
